A Child is Born | Lennart Nilsson Photography

A Child Is Born is a 1965 photographic book by Swedish photojournalist Lennart Nilsson. The book consists of photographs charting the development of the human embryo and fetus from conception to birth; it is reportedly the best-selling illustrated book ever published. Nilsson's photographs are accompanied by text, written by doctors, describing prenatal development and offering advice on antenatal care. The images were among the first of developing fetuses to reach a wide popular ...
